SUBJECT: ORR Personnel at the [REDACTED]

- 25X1A9a 1. In line with our conversation Friday, I today notified  
25X1A6a [REDACTED] Secretary of the CIA [REDACTED] that you were  
25X1A6a disposed to select a Russian-speaking economist who could be stationed  
at the [REDACTED] to represent this Office and to assist [REDACTED] 25X1A
- 25X1A9a 2. I learned that [REDACTED] head of the Center, will be 25X1A9a  
in Washington in about two weeks. If it were possible for you to  
designate the ORR representative before he arrives, it would be ex-  
tremely useful if he could meet [REDACTED] here and they could together  
plan the arrangements for his tour of duty.
- 25X1A9a 3. I explained to [REDACTED] that we should like the man we 25X1A9a  
send to be an ORR representative but that he would work immediately  
under [REDACTED] in so far as his work at the Center was concerned,  
and would have the right of direct communication through [REDACTED] channels. 25X1A
4. Needless to say, the man we send should be thoroughly familiar  
with Russian.
